Kristi and Marla,

In my rush to get ready for ASC, I failed to send you guys the file for the grad school info session on Thu. at 5PM (THANK YOU both for being willing to participate!). I know you are both active on social media for respective pages for students, so would you mind too terribly posting this?

Also, Marla – Gratia mentioned that she was more than happy to come and be on the panel as we had some feedback last year that a student wished to hear from someone in Art. She mentioned she may be able to come, but I never got a chance to chat with her more in depth about it. Would you mind giving her the details and seeing if she can join? If not, no big deal – we can get her involved next time.

I will also send this to the advisors . . .

THANKS AGAIN for doing this.

Courtney

Good afternoon –

Yes, posters are displayed. Attached is a jpeg for your Facebook pages as well. Is there anything else we need? I have sign-in sheets, a feedback survey, and the general grad school considerations handout from my office.

Good afternoon,

Attached is the grad school workshop poster. Concerns? My work-study student is gone for the weekend, so I can make basic changes if needed. Major renovations will need to wait for her return. Thanks!
