Hi Faculty and Staff,

The results from the CAS AAC poll are in...drum roll...

29 people voted (thanks)...

we finalized the vote on the 100th year anniversary of women's rights to vote (not planned, but yay)...

it was a close race (well done)...

and, the vote goes to Kristi Brownfield.

Thanks again for all your votes. I will submit Kristi's name today for the CAS representative on AAC. Thanks Kristi for your willingness to serve in this capacity.

John, thanks for all your efforts on AAC over the past three years. Your assistance and guidance with academic programs is much appreciated!

Sincerely, Alyssa
