Subject: agenda updated and zip files available
Attachments: Summit 2019 Agenda.docx

Good afternoon,

See the attached agenda with correct date and meeting rooms. Also – if you would like to download zip files of the artifacts, these are available in box.com. I tried emailing them but they were too big. I will also have them available at the summit on a flash drive in case you'd like to download them on your laptops.

Thank you all for your time! My apology for the multiple emails!

Tasha
