

April 30, 2019

Dear Professors Waid-Lindberg (chair), Haller, Brownfield, Bartel, Grettler, Johnson, Mitchell and Ramey,

Thank you for volunteering to serve on the Internship Committee for the College of Arts and Sciences during the 2018-2019 academic year. Numerous studies, most notably the AACU's research on High-Impact Educational Practices, have demonstrated the importance of internships on students' college experience and success in transitioning to graduate school or into the job market. I hope this Committee will play a key role in promoting best practices regarding internships across College programs to the benefit of our students, as well as community engagement.

I look forward to hearing what steps the Committee may take next year to build on this initial momentum. Thanks again!

Sincerely,
