Meetings

A meeting for your committee will be scheduled during the 2019 Annual Meeting in Chicago (April 17-20). Please plan to attend this meeting. Details regarding day, time and location will be available in the scheduled program that will be made available online in the upcoming weeks. We work hard to avoid schedule overlaps for individuals, so know that the session chosen for this meeting is directly related to avoiding overlap for all committee members. Additional meetings or phone calls will be scheduled as needed by the committee chair.

Membership

Please remember that committee service is an opportunity available only to MSS members. If you haven't done so already, please renew your MSS membership for 2019 in order to remain on the committee.

Questions?

If you have questions about your committee's tasks or your role, please look for answers first in the MSS bylaws and the attached dashboard. The bylaws can be found on the MSS website under "About Us." They define each committee's task. If you still have questions, please feel free to contact your chairperson or me for help.

On behalf of MSS and its members, I thank you for the time and energy you give to serving the organization. MSS thrives because of people like you!

See you in Chicago!
